**Application range**  
Video SUR camera, video camera, aerial HD equipment, video display screen with roller arms, USB media player, audio/video record (play) and play, medical HD screen, special screen for microscope, security/monitor screen, monitor screen for industrial high-end equipment, touch function screen can be reserved.

1 Application to video SUR camera and video camera

2 Application to aerial HD equipment

5 Application to medical screen

7 Application to security/monitor screen

8 Application to monitor screen for industrial high-end equipment

Remark :

1. Trade Term: EXW
2. Delivery time: 15 days
3. Period of validity: 10 days.
4. Payment: 30% T/T in advance, the 70% balance can be paid before shipment.
5. Warranty: 2 Years Guarantee.
